# THE H RESORT BEAU VALLON BEACH SEYCHELLES THE JEWEL OF THE INDIAN OCEAN

As a member of the “Small Luxury Hotels of the World” (SLH) group, The H Resort Beau Vallon Beach, Seychelles presents the best of Seychelles within a unique and warm space. Inspired by authentic cultural cues and featuring touches of indigenous art and materials, The Resort represents a tranquil space for travellers to unwind.

A comfortable and intimate destination that offers opportunities to discover the treasures of Seychelles, the resort is conveniently located at the centre of Mahé, Seychelles’ largest island, on a glorious 3km stretch of glistening white sand and crystal clear waters. The H Resort Beau Vallon Beach embraces the island’s natural landscape making the serene and distinct accommodation units almost camouflaged by the entire scenery.

The H Resort interior design was envisaged and created by the world-renowned Montreal based designer, Andres Escobar & Associates. The design’s intent was to provide a relaxed atmosphere, with eclectic rounded furniture and a calm ambiance, in the midst of a natural setting. No furniture having sharp edges reflects the stress-free atmosphere that hovers around the resort. A common element found throughout The H Resort is the ceiling fans, with natural oval palm leaf blades that provide comfort and a refreshing breeze. Upon entering the main reception area, the scene is a tropical one, with tub lounge chairs made of handcrafted Indonesian cane Fabrizio round rattan, cass maple cylinder side tables and rosewood trunk coffee tables; all reflecting the warm

theme of wood which guests become accustomed to throughout the property from floor to ceiling.

The newest 5-Star hotel on shore, The H Resort is where the majestic lush mountains, home to the Seychelles' local takamaka trees and coconut palms, along with a vast array of many different local flora and fauna, meet the pristine white shores of the aquamarine coloured sea.

Featuring some of the world's most beautiful natural wonders, The H Resort Beau Vallon Beach Seychelles draws on a unique heritage of hospitality and tradition to create heart-warmingly honest guest experiences that harmoniously blend space and sensation.

Building on our distinguished status as curators of timeless elegance, The H Resort brings you the most exquisite in destination travel — where refined and engaging experiences fused with flawless services create memories that last a lifetime.
